PROPOSED ARTICLE: **OR 6.03(e)**  
PROPOSED BY: **Ryan Wilson, Ontario Lacrosse Officials Association President**  
DATE: **September 30, 2020**

**PRESENTLY READS:**

OR6.03(e)

Referees shall have an Operating Council (association) and shall have first right of jurisdiction over the operations (i.e. discipline, registrations, etc.) of its members. They shall be bound by the Bylaws of the OLA and accountable to both the Board of Directors and the Board of Governors.

**PROPOSED CHANGE TO READ:**

~~OR6.03(e)~~

~~Referees shall have an Operating Council (association) and shall have first right of jurisdiction over the operations (i.e. discipline, registrations, etc.) of its members. They shall be bound by the Bylaws of the OLA and accountable to both the Board of Directors and the Board of Governors.~~

(OR-XII)

**OR12.1 ONTARIO LACROSSE OFFICIALS ASSOCIATION**

The Ontario Lacrosse Officials Association (OLOA) shall have the first right of jurisdiction over the operations (i.e. discipline, registrations, etc.) of its members **and the officiating portfolio. The OLOA and its members** are bound by the Bylaws, Rules and Regulations and Policies of the OLA and accountable to both the Board of Directors and the Board of Governors.

**REASON FOR PROPOSING CHANGE:**

Creating one compiled section within the OR that specifically addresses officiating and clearly defines the Ontario Lacrosse Officials Association as the “Operating Council” of officials.

**PROPOSED CHANGE TO READ:**

**OR12.2 COLLECTIVE BARGAINING AGREEMENT(S) (CBA)**

The OLA or its individual member leagues identified in Article B-III of the OLA By-Laws shall enter into CBA(s) with the OLOA to engage the services of its officials. The agreements require signatories exclusively from both OLOA (i.e. President or their designate) and the respective league(s) (i.e. Commissioner/Director or their designate). Articles covered in CBA(s) may include, but are not limited to:

- Remuneration
- Expenses/Mileage
- Discipline (e.g. fine amounts, official non-appearance, conduct unbecoming)
- Official's Uniform
- League Operations
- Evaluation

**REASON FOR PROPOSING CHANGE:**

CBAs currently exist between the OLOA and OLA; however they are not covered in the OLA Rules and Regulations. This amendment is intended to provide guidelines for what is included in a CBA and enables the OLOA to enter into CBAs with the OLA or individual leagues/sectors.

**OR12.3 CERTIFICATION PROGRAM**

The OLOA shall be solely responsible for the administration and delivery of National Officiating Certification Program (NOCP), including the collection and accounting of registration fees, development of clinic materials, facilitation of clinics and the recruitment of clinicians.

**REASON FOR PROPOSING CHANGE:**

The OLOA is seeking to take ownership for the registration and certification of its members and pay the OLA an Administrative and Insurance Fee as per proposed amendment below. This model would be consistent with that of clubs and associations throughout Ontario and would provide revenue for the OLOA to develop and implement an Officials Development Program (development program covered in ODOC proposed amendments).

This amendment should be considered along with its proposed sub articles (12.3, 12.3(a), 12.3(b), 12.3(c) and 12.3(d)).

MR9.04

All referees must be certified by the NOCP (National Officiating Certification Program) in the current calendar year prior to officiating any games. Referees may be required to undergo a reevaluation at any time as designated by the Corporation Referee-in-Chief for the purpose of promoting or demoting their classification.

NOTE: Referee certification is valid from the date of the referee's clinic until May 31st of the following year, provided that the official is registered to attend a recertification clinic with the Ontario Lacrosse Association in the following calendar year prior to any participation.

### **OR12.3(a) CERTIFICATION TERMS AND CONDITIONS**

All **officials** must be certified by the NOCP (~~National Officiating Certification Program~~) in the current calendar year prior to officiating any games. **Officials** may be required to undergo a re-evaluation at any time as designated by **the OLOA sector Vice President or ODOC** for the purpose of promoting or demoting their classification. **Officials** certification is valid from the date of the official's clinic until May 31st of the following year, provided that the official is registered to attend a NOCP recertification clinic in the following calendar year prior to any participation.

### **REASON FOR PROPOSING CHANGE:**

This article applies to all officials and therefore belongs in the OR section rather than the MR section (housekeeping).

As proposed in OR12.3, the OLOA sector Vice President would be responsible for the re-evaluation of officials given that the certification program would be the responsibility of the OLOA.

This amendment should be considered along with its proposed sub articles (12.3, 12.3(a), 12.3(b), 12.3(c) and 12.3(d)).

**OR12.3(b) CERTIFICATION PROGRAM UPDATES**

Quarterly updates of the certification program will be provided to the Officials Development and Oversight Committee (ODOC). An annual report outlining the certification program's financials and outcomes will be provided by September 1 of each year to the ODOC.

**REASON FOR PROPOSING CHANGE:**

The OLOA is committed to facilitating and fostering a transparent (NOCP) certification program and to provide its members and the OLA with regular updates, including financials.

This amendment should be considered along with its proposed sub articles (12.3, 12.3(a), 12.3(b), 12.3(c) and 12.3(d)).

**OR12.3(c) OLA ADMINISTRATIVE AND INSURANCE FEE**

The OLOA and OLA Collective Bargaining Agreement shall identify mutually agreed upon annual fees per registered official that the OLOA will pay to cover the administrative overhead and insurance of the official.

**REASON FOR PROPOSING CHANGE:**

The OLOA recognizes the administrative service that is provided by the OLA and wishes to still be insured members of the OLA; therefore this fee made payable to the OLA annually will ensure those administrative services and insurance coverage continues. The respective dollar amount will be subject to the OLOA / OLA CBA.

This amendment should be considered along with its proposed sub articles (12.3, 12.3(a), 12.3(b), 12.3(c) and 12.3(d)).

**OR12.3(d) CERTIFICATION FEES**

With the exception of the OLA Administrative and Insurance Fee described in OR12.3(b), all remaining revenue generated from the certification program will be entirely allocated to the delivery of clinics, officiating development program and operational expenses associated with the OLOA. Fees will be established annually before the season by the OLOA and will be communicated to officials, associations and clubs.

**REASON FOR PROPOSING CHANGE:**

This article applies to all officials and therefore belongs in the OR section rather than the MR section (housekeeping).

As proposed in OR12.3, the OLOA would be responsible for the collection of certification fees of officials and they would be allocated entirely to the OLA Administrative and Insurance Fee described in OR12.3(b), delivery of clinics, officiating development program and operational expenses of the OLOA.

This amendment should be considered along with its proposed sub articles (12.3, 12.3(a), 12.3(b), 12.3(c) and 12.3(d)).

**OR12.4 OFFICIALS DEVELOPMENT AND OVERSIGHT COMMITTEE**

The ODOC shall be responsible for the establishment of the official's development program and general oversight of the officiating program. The ODOC shall receive funding to operate and implement its development program from the revenue generated from the certification program.

**REASON FOR PROPOSING CHANGE:**

The Referee Development Committee (RDC) is currently defined in the OLOA / OLA CBA and is intended to review potential program upgrades and improvements. The RDC does not have a formal Terms of Reference and its membership and mandate are unclear; resulting in meetings not occurring since early-2019.

This proposed amendment would clearly define the purpose/mandate, membership, quorum, meetings, reporting and dispute resolution mechanism for the newly branded Officials Development and Oversight Committee (ODOC). The revised ODOC would provide a collaborative framework for sectors, leagues, associations, and clubs to be engaged with the officiating program and provide them with the opportunity to provide meaningful direction and guidance to the program.

This amendment should be considered along with its proposed sub articles (12.4, 12.4(a), 12.4(b), 12.4(c), 12.4(d) and 12.4(e)).

The ODOC shall be co-chaired by the OLOA President and OLA VP Officiating and include one OLOA and one OLA appointee for minor box, junior to major box, men's field and women's field. The OLOA's appointees shall primarily consist of active officials and represent the views and perspectives of officials; whereas the OLA's appointees shall consist of league/association commissioners/directors or OLA Board of Directors or Governors, to represent the business and technical needs of members, associations and leagues.

**REASON FOR PROPOSING CHANGE:**

The Referee Development Committee is currently defined in the OLOA-OLA CBA and is intended to review potential program upgrades and improvements. The RDC does not have a formal Terms of Reference and its membership and mandate are unclear; resulting in meetings not occurring since early-2019.

This award is open to:

- An individual who has represented their province/country with distinction at the highest Provincial, National and or International levels within the past two years.
- An OLOA member that has served with distinction in a leadership capacity, on a Community, Provincial, National or International sports body for a minimum of two years.
- Officials, who have through their sustainable high standards of officiating, rendered services at a Provincial, National or International level within the past year.
- An individual/municipality, who has initiated, promoted and organized development programs in Lacrosse in their local communities. This individual must have introduced and sustained Lacrosse festivals, local teams, leagues, events and activities that have continually engaged the community in meaningful programs.

It will be presented in years when deemed appropriate after considering any qualified nominees.

PROPOSED ARTICLE: **R 6.24**

PROPOSED BY: **Dave Vernon, Ontario Junior "B" Lacrosse League Commissioner**

DATE: **September 30, 2020**

### **PRESENTLY READS:**

R6.24

Only players who have not attained their twenty-first birthday prior to January 1st of the playing season shall be eligible to play in the Junior series. Proof of age shall be in the form of a certificate issued by the appropriate Registrar of Births or his equivalent. Alternative proof of age may be accepted by the Board of Directors.

### **PROPOSED CHANGE TO READ:**

R6.24

Only players who have not attained their **twenty-second** birthday prior to January 1st of the playing season shall be eligible to play in the Junior series. Proof of age shall be in the form of a certificate issued by the appropriate Registrar of Births or his equivalent. Alternative proof of age may be accepted by the Board of Directors.

### **REASON FOR PROPOSING CHANGE:**

Regarding the Concerns that the Sr. Leagues have expressed; this year would be the only year to make this change, in order that it has zero effect on them

There is no need for a faux draft next January, the normal number of players have already been drafted. On average only 12 to 14 out of 30 drafted end up playing Major each year the balance are protected and sent to an affiliate Sr. B team. The Sr. B teams can also select from the remaining players to keep their rosters filled. Approximately 150 players graduate from Jr each year and there are not enough Sr. teams to accommodate those numbers.

Less than 50 of the graduating Jr players are absorbed into Sr. Lacrosse each year, so why not allow the other 100 players to play one more year of Jr Lacrosse?

Sr. C is the saving grace for these players to keep playing, but it's going to take a few years until enough teams are started to create room for more players. Making this change now, in 2020 is the right decision!

There were 30 players drafted in January who didn't get to try out or be signed. They would become the new players for next year, but at age 23. This would be the same for Sr. B and Sr. C as the new players available to them would be the normal number of players as in previous years, just at 23 years of age. There is no loss in the numbers of available players for the Sr. teams in 2021. The 2019 graduates become the 2021 new senior-age players. Exactly the same number as in any other year.

If this change was to occur in any future year, the Sr. Leagues would have a legitimate concern as no new Jr players would be available to them, (except for players who wished to move up). Last-year Jr players are always able to move up if they have the desire to tryout at the higher level. So there is no change in this option from previous years.

Regarding another rationale for making this change; the age for players graduating from colleges and universities is generally 22. It makes sense for these players who have been playing Jr with their friends, to be able to complete that final year with their Jr teams, if they wish.

The Jr Leagues in Ontario, BC and Alberta have already expressed their request for this permanent change in age and other Leagues are starting to come on board as well. In each of the other MA's (except in Ontario), the Jr age range has been reduced from 5 years to 4 years, due to the inclusion of 17 year-olds in the new 17U (Midget) division and this would be the change necessary to return to the 5-year Jr age cohort.

The CLA suggested a survey of the players to determine if they were also wanting the change (the survey results were shared with the OLA Board), and both surveys taken showed an average of 90% of the players were in favour of the increase in Jr age. Every player that registered to tryout in 2019 was included in the survey, including some who ended up in Intermediate.

This 'lost' year is the perfect opportunity to make the change with no effect on any other age group.

**Note:**

Because this change does not include Intermediate, the motion has no bearing on the OLA Minor Clubs. We are therefore requesting a strictly Jr. to Major vote.

**REASON FOR PROPOSING CHANGE:**

The cap on the junior age playing eligibility has increased by one year to U22. A sensible reaction to this change would be to propose a similar one year increase in player eligibility in the minor category and to adjust the age of graduating players to 17.

We want to make sure that 17 year old players have a place to play that provides them an appropriate level of competition, access and ability to succeed. We want to make sure that the changes impact the other age groups in the minor classification positively.

**PROPOSED CHANGE TO READ:**

MR2.11

Before a playing certificate is issued, it must be proven that the player has not attained the following prior to the first day of January in the season the player intends to compete in:

Box:

Intermediate – 22nd birthday,

Midget – 17th birthday,

Bantam – 15th birthday,

Pee Wee – 13th birthday,

Novice – 11th birthday,

Tyke – 9th birthday,

Soft Lacrosse– 7th birthday;

Field:

- U9 – 9th birthday,
- U11 – 11th birthday,
- U13 – 13th birthday,
- U15 – 15th birthday,
- U17 – 17th birthday;

Women’s Field:

- U11 – 11th birthday,
- U13 – 13th birthday,
- U15 – 15th birthday,
- U19 – 19th birthday.

**REASON FOR PROPOSING CHANGE:**

The cap on the junior age playing eligibility has increased by one year to U22. A sensible reaction to this change would be to propose a similar one year increase in player eligibility in the minor category and to adjust the age of graduating players to 17.

We want to make sure that 17 year old players have a place to play that provides them an appropriate level of competition, access and ability to succeed. We want to make sure that the changes impact the other age groups in the minor classification positively.

This proposal includes shifting the maximum age for all age groups by one year, and increasing Soft Lacrosse to a 3 year age group. This proposal would only be addressed if the previous proposal for a 3 year age group at Midget is not approved.

MR3.10

No rep player may be conditionally released more than once to the same club. If a club releases a rep player to the same club a second time, that player is unconditionally released to that club. A player released to play House League may not play Rep for that Club seeking that player's release, either as an AP or otherwise, without the releasing club's written permission. Any player released to play house league may be released more than once to the same club without becoming unconditionally released.

BOX NOTE: Paperweight players must register with their own resident association and obtain a release in order to play for another association. Soft Lacrosse players must return to their own resident association once attaining Paperweight age.

FIELD NOTE: All players must register with their own resident association and obtain a release in order to play for another association.

WOMEN'S FIELD NOTE: U9 players must register with their own resident association and obtain a release in order to play for another association.

U9 players must return to their own resident association once attaining U11 division play.

U11 players must return to their own resident association once attaining U13 division play.

U13 players must return to their own resident association once attaining U15 division play.
