To Whom It May Concern,

The Clarington Shamrox will be hosting the "Cross Out Cancer" fundraising game on May 8, 2022. The proceeds of the event will be donated to help support Hearth Place Cancer Support Centre.

Hearth Place Cancer Support Centre provides support to anyone impacted by a cancer diagnosis, including patients, caregivers, children and teens. Our services are provided free of charge, ensuring that anyone who needs support is able to access it. Hearth Place is the only cancer support centre in the Durham Region.

Over the past two years, our programs have continued to run virtually and our support has remained available both by telephone and safely in person. Hearth Place provides a connection and a virtual "hand to hold" while we are all separated. Our support is needed now more than ever.

Hearth Place receives no government core funding and relies on individual and corporate donations as well as fundraising events. We, therefore, greatly appreciate the generous support of community fundraisers like the "Cross Out Cancer" event. Cancer continues to have an enormous impact on our community, and fundraisers such as this can help make a difference in the lives of individuals and families affected by cancer.

Thank you for your consideration of this request.

Yours truly,
