

The NCCP Make Ethical Decisions training is designed for coaches to be fully equipped to handle ethical situations with confidence and surety. The training helps coaches identify the legal, ethical, and moral implications of difficult situations that present themselves in the world of team and individual sport. The NCCP Make Ethical Decisions module is a cornerstone of the NCCP and leaves coaches with no doubt as to what to do in challenging situations.

Making Ethical Decisions is a recommended course for all lacrosse coaches in Ontario. For those coaches who are participating at a Lacrosse Canada National Championship or any Team Ontario program, completion of Making Ethical Decisions is a requirement. A complete list of courses offered in 2023 is available [here](#). Space may be limited for all sessions, both online and in-person.
