Community Development Clinics (Box 1) – Women & Girls Session (\$50, balance to be subsidized)

As part of the OLA's commitment to creating inclusive spaces for women and girls, this clinic is specifically dedicated to certifying prospective female coaches for the 2022 season. Current coaching data indicates that women are under-represented as coaches at the provincial level in all sports. This clinic covers the same fundamental elements as the Community Development Clinics, but is purposefully created to improve recruitment and retention of women lacrosse coaches, decrease the drop-out rate of women and girls from lacrosse, and lead to new opportunities for a wider range of potential participants in all capacities. To read more information about the OLA's commitment to increasing opportunities for women and girls to become involved in coaching, visit [this link](#).

The Community Development 1 qualification is the certification required by Lacrosse Canada for coaches at the U7, U9, U11 and U13 house league and rep divisions of box lacrosse. This course introduces prospective coaches to the fundamental elements of coaching box lacrosse. All Community Development Box 1 Clinics are single-day courses.
