## BMLA PRESENTS BETHELL HOSPICE WITH COMMUNITY DONATION

TORONTO, ON – July 25<sup>th</sup>, 2019 – On Tuesday, July 23<sup>rd</sup>, Brampton Excelsiors Vice President Ron Evans presented the Bethell Hospice Foundation with a cheque in the amount of \$800.00 on behalf of the Brampton Minor Lacrosse Association (BMLA).

Bethell Hospice Foundation is a registered charity and undertakes to raise funds in support of Bethell Hospice, which is the only residential hospice serving Brampton, Caledon, Dufferin County and West Woodbridge. A dedicated staff at Bethell Hospice ensures that loved ones are provided care and dignity at a time when it is most needed.

Community service is a priority for the BMLA. The Excelsiors program has spent four years building a relationship with the City of Brampton, which has provided immeasurable support to the sport of lacrosse. It is because of that support that the BMLA feels a strong obligation to give back. Bethell Hospice is the only one of its kind in the Peel Region and relies solely on contributions from the public and corporate community to finance their organization.

The Brampton Minor Lacrosse Association encourage fellow lacrosse organizations in the Ontario Lacrosse Association to follow the example of forming partnerships within their communities and cultivating partnerships with local organisations.
