

- FOR IMMEDIATE RELEASE -

BRUCE CODD ANNOUNCES HIS RESIGNATION AS OLA TECHNICAL DIRECTOR

TORONTO, ON – October 5th, 2021 – The Ontario Lacrosse Association (OLA) shares that Technical Director Bruce Codd has resigned, effective October 3rd, 2021.

Most OLA members are familiar with Bruce from working with him over the last five years as part of his involvement with the OLA's In-School program, TRY Lacrosse sessions, coaching certification clinics, player development camps, Six Steps to the Crease program host, and as part of Team Ontario program leadership team.

Bruce has been a champion of athlete-centered coaching and was wildly popular with in-school visits to promote lacrosse to children across the province. He worked diligently to improve the coaching certification program and experience, and was an outstanding coach and role model from minor age divisions through to the Ontario Junior "A" Lacrosse League (OJLL), and helped to expand the reach and depth of the Team Ontario portfolio. His efforts, passion for the game, innovative thinking and enthusiasm will be missed. We were extremely fortunate to have Bruce as part of our team, working with our volunteers, coaches and players over the past five seasons.

We sincerely wish Bruce all the success in his future career choice, and look forward to seeing him continue in his volunteer roles with the OLA through the future.

BRUCE CODD

**thank
you**
