

TORONTO, ON – April 15<sup>th</sup>, 2021 – The Ontario Lacrosse Association is currently exploring a partnership pilot with GameSheet Inc. to provide digital game sheet services to interested box and field lacrosse leagues when traditional playing opportunities are considered safe and appropriate. GameSheet Inc. is an Ontario-based digital scoring software system that is designed to reduce the time, effort and cost of managing leagues and scoring games. Today, we're sharing the following message to our members who may be interested in applying for a student scholarship opportunity that is being offered by GameSheet Inc.

Please note that, while we are excited to be able to share this announcement with our leagues and clubs, the Ontario Lacrosse Association is not directly or indirectly involved in the application or selection process for this scholarship, and is simply proud to support an organization that is working to improve the data management aspect of the sport by passing this message along to our members.

Timekeepers and scorekeepers are an integral part of every game we play. GameSheet Inc. is pleased to announce the creation of the Scorekeeper Scholarship, which is a one-time award of \$1000 given to four deserving timekeepers and scorekeepers who will be attending their first year of post-secondary education in the fall of 2021. While the staff and supporters of GameSheet Inc. continue to approach the 2021 summer lacrosse season with hope for a return to play, there is a degree of uncertainty over whether many of the major tournaments and events of the typical season will be possible. That said, GameSheet Inc. still feels it is appropriate to move forward by announcing this scholarship opportunity to the sports associations and leagues which it has partnered with.

Please pass on this information to all of your lacrosse leagues and clubs, as well as to any eligible students that you may know, even if they had to stay home this year. We're excited to support their upcoming school year and honour the time and service they have given to the game. Details of the GameSheet Scholarship, including the application procedure and dates can be [found here](#).

## **About the Ontario Lacrosse Association**

The Ontario Lacrosse Association (OLA) is a member association of Lacrosse Canada and is recognized as the Provincial Sports Organization of lacrosse for the province of Ontario. The OLA oversees 66 clubs competing in 13 leagues in three different sectors: box (indoor), minor & men's field (outdoor) and women's field (outdoor). In addition to coordinating the operation of the sport, the OLA provides informative resources, technical development programs and additional supplies for those interested in the 'fastest game on two feet.'
