## **ONTARIO LACROSSE PLANNING FOR THE 2022 SEASON**

TORONTO, ON – January 18<sup>th</sup>, 2022 – The Ontario Lacrosse Association (OLA) is continuing its plans to prepare for the upcoming field, women’s field and box lacrosse seasons. A small number of OLA-specified deadlines may be affected by the Province of Ontario’s Temporary Return to Step 2, however there is reason to believe that these province-wide measures will be relaxed prior to our official 2022 Event Schedule.

We understand that our clubs continue to seek our guidance as it relates to planning and preparing for the upcoming season, including our coaching and officiating certification clinics, the publication of our sanctioned events schedule, and other programs and resources that are offered by the OLA. Once the province has provided further direction following the expiration of the current Emergency Orders, we will provide an update to our club representatives, as well as information about any deadlines that will be adjusted as a result of the current orders.

We look forward to sharing our plans for the 2022 season with you!
