OLA TEAM MANAGER BULLETIN 2022 Ontario Lacrosse Festival

Dear OLA Team Managers:

Welcome to the 17th annual Ontario Lacrosse Festival! Thanks very much for all your great volunteer service helping to grow the game in Ontario! Please also share our sincere appreciation to your coaching staff for their commitment and dedication to your team and the game!

We hope this Team Manager Bulletin helps ensure the Festival experience is a great one for your team. Essential information includes:

- (1) All information about the Festival including schedules and results can be found at the Ontario Lacrosse website at www.ontariolacrosse.com;**
- (2) All coaches and team managers should review the “Participant Rules & Guidelines” and “Playing Rules Advisory” prior to attending the Festival;**
- (3) Directions to all Festival arenas can be found online and in the Official Festival Souvenir Program;**
- (4) As some game times and locations have been moved to accommodate various event logistics, please check the Festival website to confirm the accuracy of your game dates, times and locations prior to leaving for the event;**
- (5) Team Welcome Packages (including Festival caps and Souvenir Programs) are available to be picked up at Iroquois Park Sports Centre (in Whitney Hall) by Team Managers any time after the beginning of the tournament your team participates in (ie: for U11 teams, after the first game of the U11 Provincials);**
- (6) During the Festival, all results will be circulated via the Festival Scoreboard Alert Service. Sign up for the Festival Scoreboard Alert Service on the Ontario Lacrosse website;**
- (7) All coaches and team managers should review the attached “OLA Provincial Box Lacrosse Tie-Breaker Formula” for clarification on advancing teams.**

We look forward to sharing with you the excitement of another celebration of Canada’s national summer sport!

**All the best for some great lacrosse in your tournament,
2022 Ontario Lacrosse Festival Committee**
